REFERRAL FORM – MENTAL HEALTH CARE

Service description

- The Hub provides access to a range of health services for people seeking asylum. These services include nurse-led primary health care and assessments, immunisations, GP clinics, psychiatry (requires a GP referral), psychology, physiotherapy and specialist mental health support.
- The Hub works in partnership with other asylum seeker agencies and where able, assists with referrals to community health and specialist services such as dental, optometry, allied health, infectious diseases and paediatrics.

Priority of access

People seeking asylum are eligible for health care at the Hub, and priority is given to people who:

- Do not have a Medicare card
- Have a Medicare card with limited or no income support
- Are receiving SRSS and require psychiatry, specialist mental health care or have complex medical needs
- Are in community detention

Cost

All services provided at the Hub will be free to all clients.

- Medicare ineligible clients will receive free service
- Medicare eligible clients will be bulk-billed (clients will need to present their Medicare card)

Referral process

- **Psychiatry services - requires a GP referral letter**
- Referrers may call (03) 8388 7874 to discuss referrals
- Hub staff will inform referrer of the acceptance of the referral and liaise with clients about their appointments

Additional referral documentation

- Please attach a copy of any relevant medical documentation such as detention health records, arrival health screening, immunisation records, discharge summaries.
- Please attach relevant documents showing current visa status, lodgement of protection application, current placement in community detention or other supporting documents showing status as a person seeking asylum.
